

# “A Rookie Astronaut Learns to Live in Space”

**Tuesday, October 13, 2009, 7:00 p.m.  
at the Clark Planetarium**

(Please be in your seats by 6:45 p.m. – late arrivals will not be seated.)

Presented by Air Force Lt. Col. Duane “Digger” Carey (Retired), former NASA Astronaut and Pilot of the Space Shuttle Columbia on STS-109 in 2002.

The presentation by Lt. Col. Carey will be followed by a showing of the IMAX film “Magnificent Desolation”. Tickets cost \$1.00 each and will be available for purchase in person at the Clark Planetarium or online at <http://www.clarkplanetarium.org/> beginning Thursday, October 1, 2009.

This presentation is co-hosted by the Department of Physics & Astronomy at the University of Utah and the Clark Planetarium. The Clark Planetarium is located at 110 South 400 West, Salt Lake City, Utah. For a map and parking instructions, go to:
