

Physics 2210 - Mid Semester Scores

To calculate your individual score, do the following:

1. Drop lowest 5 HW scores (Intro-HW11); multiply that number by 0.252525 to get 25%
2. Drop lowest exam score; multiply by 0.833333 to get 50%
3. Add HW % and exam %; multiply by 1.333333 to get 100%
