***Students age 9-13 may sign themselves out. Please fill out the form below.**

Release for students between ages nine and thirteen to sign themselves in and out:

I authorize my child/ward _____ age nine or over to sign her/himself in and out each day. I acknowledge that the **Utah Physics Circle**, or designated instructors, are not responsible for students once they are signed out. [Note: Students under the age of nine are required to have a parent or authorized person pick them up.] Students between nine and thirteen can sign themselves in and out with parent/guardian's authorization. Students over the age of thirteen do not need to sign in and out each day, but attendance will be taken.
